## COMPANY PROFILE

深圳市英洛迪科技有限公司  
Shenzhen Indilinx Technology co.,Ltd

Indilinx成立于2012年,是一家集芯片设计、软件开发、封装测试、生产制造及应用于存储芯片领域的国家高新技术企业,目前已与台湾、韩国、美国等众多国家的存储龙头原厂建立了长期合作伙伴关系,共同推动即将到来的“数字时代”。

在过去的14年里,我们的产品广泛应用于主流PC和工业市场。产品满足得到了广大客户的认可和信赖,了用户和经济不断发展的需求。凭借专业的管理团队、顶尖的设备投资领先的技术创新、精湛的制造工艺和严格的质量标准,Indilinx已经成为中国最专业的存储制造商之一,在数据存储领域为客户提供高质量的产品和可靠的服务。

Founded in 2012, Indilinx is a national high-tech enterprise specializing in chip design, software development, packaging and testing, manufacturing, and applications within the storage chip sector. We have established long-term partnerships with leading storage manufacturers in Taiwan, South Korea, the United States, and other countries, jointly advancing the imminent “digital era.” Over the past 14 years, our products have been widely adopted across mainstream PC and industrial markets. They have earned widespread recognition and trust from customers, meeting the evolving demands of users and economic development. With a professional management team, top-tier equipment investment, leading technological innovation, sophisticated manufacturing processes, and stringent quality standards, Indilinx has become one of China's most specialized storage manufacturers. We deliver high-quality products and reliable services to customers in the data storage sector.

# 消费级存储产品

Consumer-grade storage products

消费级存储产品是指面向广大消费者市场推出的存储设备，与车规级、嵌入式存储产品相比，们更注重的是用户体验和日常生活的便利性。消费级存储产品主要具有用户友好性、大容量、高速度、便携性、多功能性成本效益和广泛兼容性等特性，旨在为消费者提供便捷、高效的数据存储和分享体验。

Consumer-grade storage products refer to storage devices designed for the mass consumer market. Compared to automotive-grade and embedded storage products, they prioritize user experience and everyday convenience. Key characteristics of consumer-grade storage include user-friendliness, large capacity, high speed, portability, multifunctionality, cost-effectiveness, and broad compatibility. These products aim to deliver convenient and efficient data storage and sharing experiences for consumers.

**大容量**  
High capacity

随着数字内容的不断增加，消费级存储产品通常提供较大的存储容量，以满足用户存储照片、视频、音乐等多媒体内容的需求。

As digital content continues to grow, consumer-grade storage products typically offer large storage capacities to meet users' needs for storing multimedia content such as photos, videos, and music.

**高速度**  
high speed

无论是读取还是写入，消费级存储产品都追求快速的性能，以提升用户在数据传输备份和访问等方面的体验。

Whether reading or writing, consumer-grade storage products prioritize high-speed performance to enhance user experiences in data transfer, backup, and access.

**便携性**  
Portability

设计为便携式，方便用户随时随地携带和使用，如移动固态硬盘、固态U盘等。

Designed for portability, allowing users to carry and use it anytime anywhere, such as portable solid-state drives and solid-state USB flash drives.

**功能性**  
Functional

产品除了基本的存储功能外，还可能支持数据加密、备份软件、云同步等多种附加功能，以满足用户多样化的需求。

In addition to basic storage capabilities, the product may also support various additional features such as data encryption, backup software, and cloud synchronization to meet users' diverse needs.

**易用性**  
Usability

消费级存储产品设计时注重易用性，用户无需具备专业的技术知识也能轻松使用。

Consumer-grade storage products are designed with ease of use in mind, allowing users to operate them effortlessly without requiring specialized technical knowledge.

**兼容性**  
Compatibility

支持多种操作系统和设备，方便用户在不同平台间进行数据交换和共享。

Supports multiple operating systems and devices, enabling users to exchange and share data across different platforms.

This trip to Yunnan not only allowed the members of iNLODI's overseas team to appreciate the natural and cultural beauty of Yunnan, but also narrowed the distance between them in their collaboration and interaction, further enhancing the cohesion and centripetal force of the team, for the follow-up to better work together to pursue the cause of the dream of injecting new vitality.

### “逆境飞翔, 欢歌同聚”中秋Party

Soaring Through Adversity, Gathering in Song Mid-Autumn Festival Party

此次中秋聚会,不仅是一场佳节的欢聚,更是一次团队精神的凝聚。在欢声笑语中,大家卸下压力、增进情谊,也更加坚定了未来携手面对挑战、共赴目标的信念,让这份团圆的温暖与并肩的力量,成为团队继续“逆境飞翔”的坚实底气。

This Mid-Autumn gathering was not merely a festive celebration, but a profound bonding of team spirit. Amidst laughter and conviviality, we shed our burdens, deepened our camaraderie, and strengthened our resolve to confront future challenges and pursue shared goals together. May this warmth of reunion and the strength of standing shoulder to shoulder become the bedrock upon which our team continues to soar against adversity.
